

eat LUNCH give

Friday, May 10, 2024 | 11:30A.M. - 1:30P.M.

Women's Lunch Place creates a safe, welcoming day shelter community in which we respect the dignity of our guests and build trusting relationships to provide individualized, integrated services focused on nutrition, health, housing, and economic empowerment.

On Friday, May 10th, we will be hosting our 13th *eat LUNCH give*, an annual professional networking event in Boston addressing timely issues affecting women in our city. This year, M. Lee Pelton, President & CEO of the Boston Foundation, and WLP Executive Director Jennifer Hanlon Wigon will address the pressing issues of the housing crisis in Boston, the shortage of lower-income affordable housing, and the specific need for safe, gender-specific housing in our community.

Together, with your support, we will continue to amplify the voices of the resilient women in our community faced with homelessness and support them as they work towards stability and independence. We hope to see you there.
